

FEATURES	BENEFITS
Health Canada Approved	WE Sanitizer is produced in a health Canada approved facility which ensures safety.
Childproof Safety Lock	Protects your children and prevents accidental spillage in pockets and purses.
Meets WHO Standards	Be assured WE Care uses premium ingredients and safe packaging.
Food Safe Ingredients	Tech grade alcohol was why so many recalls took place. Our ingredients are safe for pregnant women and children under 5 and safe to use on damaged or broken skin.
Reusable Bottle	Our refillable bottle saves you time and money, helps keep the earth clean and avoids single use plastic.
Calibrated Spray Nozzle	Consistent output of sanitizer evenly doses the product and avoids over dispensing and waste.
Dry Fast Formula	No sticky gel residue quickly leaves hands feeling safe and clean
Low Odour	Safe for people with scent sensitive environments. No 'tequila' smell.
Made with Organic Aloe and Glycerol	Better on hands, safer on skin.
Custom Labelling	Associates your brand with high quality sanitizer showing your clients and staff that you care about their health and safety.
Quality Customer Service	WE Care is here to help with any questions that you or your customers may have.
